

WVU MARCHING BAND F O O T W E A R

The following is a list of preferred and acceptable shoes that are comparable in style from which *wind and percussion members* must choose (*color guard and feature twirler members* will make other special arrangements with your instructors). This should be especially helpful to those veterans and new members who might already own one of these styles (still in great condition...) from previous marching experiences; if not, then **all wind and percussion WVU Band members are required to purchase one pair (or more) as part of the uniform.**

THE “OFFICIAL” WVU BAND SHOES

NOTE: ALL ARE WHITE BAND SHOES WITH WHITE SOLES AND NON-PATENT FINISHES
WITH A TRADITIONAL MILITARY/BAND/CORPS DESIGN.

Preferred
Dinkles “Vanguard”

Also Acceptable
DrillMasters
Speedsters
Dinkles “Glide,” “Patriot,” “Impact”
StylePlus “Pinnacle,” “Showstopper”

*** Please note (especially VETS) ***

Common sense dictates that shoes which are discolored, disfigured, and otherwise less than appealing must be replaced. This is an investment in two very important areas: YOUR personal and individual appearance and the pageantry/presentation of the ENTIRE BAND. Please consider this very carefully.

Fawley Music in Sabraton is once again working in conjunction with us by offering the preferred **Dinkles “Vanguard”** for the very attractive price of **\$36.00/pair**. To take advantage of their offer, please send the order form (printed on the reverse) WITH PAYMENT directly to Fawley Music. Your shoes will then be delivered to you at Band Camp while on campus the week before classes start – **no driving around!** We hope new and veteran members alike will find this to be a convenient way to purchase new footwear that will compliment the *Pride* in our band which our uniforms project.
